

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I can't believe that you would consider lowering or removing the limitations on ownership of cable companies. The present 30% limit is overly generous; to lower it would expose the public to less choice of views and less divergence of opinions on matters of public importance.

PLEASE DO NOT LOWER THE LIMITS.
